License Type

Free Personal & Educational Use

Definitions

- **"Personal use"** means use for your own non-commercial purposes, including private projects and portfolio pieces you display to demonstrate your skills, provided the SVG itself is not offered for sale, license, or download.
- **"Client project"** means any work product delivered or made available to a third party in connection with a request from that third party, whether or not payment is involved.
- **"Educational purposes"** means use in the course of learning, teaching, or demonstrating techniques, including tutorials and coursework, where the SVG is not the primary deliverable being sold or licensed.

Permitted Use

You may:

- Use the SVG in personal Power Apps Canvas Apps.
- Use the SVG for educational and learning purposes.
- Modify the SVG's colors and size/scale for personal or educational projects.
- Use the included Power Fx formula in personal or educational projects, subject to the same restrictions as the SVG itself.

No attribution is required, but it is appreciated.

Restricted Use

You may not:

- Use the SVG (or the Power Fx formula) in commercial projects.
- Use the SVG (or the Power Fx formula) in client projects.
- Alter the SVG's underlying structure, paths, shapes, or layout.
- Add animation, transitions, or motion effects to the SVG.
- Combine the SVG with other artwork to create a derivative design.
- Resell the SVG.
- Redistribute or share the original SVG file, whether modified or unmodified.
- Upload the SVG to another marketplace or asset library.
- Claim the SVG, or any permitted color/size variation of it, as your own original work.

Modifications

You may change the SVG's colors and resize/scale it for permitted personal or educational use. All other modifications — including but not limited to altering paths, shapes, structure, or layout, or adding animation — are not permitted under the free license and require a paid LowCodeDev license. Color and size variations remain subject to this license in full and may not be redistributed or shared independently of these terms.

Power Apps Usage

This SVG is designed specifically for Microsoft Power Apps Canvas Apps. You may incorporate the SVG into permitted Power Apps projects, subject to the restrictions in this license.

Ownership

The SVG design and associated materials remain the intellectual property of LowCodeDev Limited. This license grants you a limited, non-exclusive, non-transferable right to use the SVG according to these terms. No ownership or copyright is transferred to the user.

Commercial Use

Commercial use, client-project use, and any structural modification or animation of the SVG require an appropriate paid LowCodeDev license. Contact LowCodeDev Limited for licensing options.

Warranty Disclaimer

The SVG and any associated materials are provided "as is," without warranty of any kind, express or implied. LowCodeDev Limited shall not be liable for any claim, damages, or other liability arising from the use of the SVG.

Termination

This license terminates automatically if you breach any of its terms. Upon termination, you must cease all use of the SVG and destroy any copies in your possession.

Governing Law

This license is governed by and construed in accordance with the laws of England and Wales, and any disputes shall be subject to the exclusive jurisdiction of the courts of England and Wales.

Support

Free SVGs are provided without dedicated support. Users may seek assistance through community or self-service channels.

Version

The version of this license in effect at the time of your download governs your use of the SVG. Updated terms apply only to versions downloaded after the update takes effect.

Terms

By downloading or using this SVG, you agree to these license terms. For the latest version of the license and terms of use, visit: <https://lowcodedev.tech/terms>
